# Celebrating 200 Years of Our Catholic Faith

The Church of the Most Holy Trinity is recognized as the oldest Catholic church in Georgia and one of the oldest in the Southeast. Over two centuries many families have made this church what is it is today ~ a sanctuary of our holy faith.

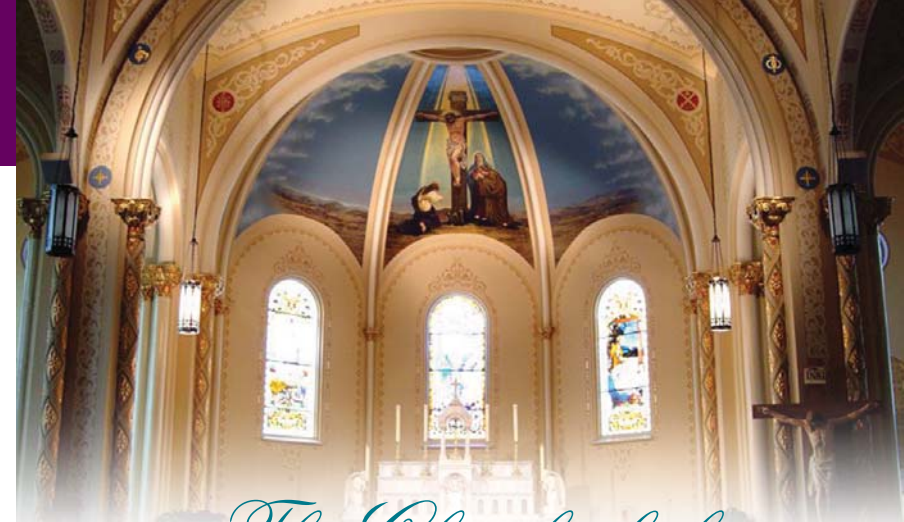

Historic churches require ongoing renovations to ensure the church's lasting legacy for generations to come. In preparation for our upcoming bicentennial in 2010 we are undertaking a variety of structural and beautification projects. Projects include:

- The Bicentennial Landscape Plan
- New signage for property
- Refinishing and restoring our original main doors
- Add light to narthex area & the beautiful Last Supper
- Paint exterior fence
- Help defray cost of the bicentennial celebration

To see everything planned for our bicentennial visit:  
[www.themostholylrinity.org](http://www.themostholylrinity.org)

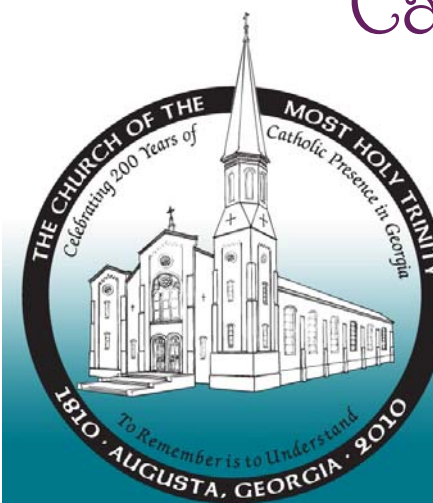

We are selling bricks, benches, and statuary to help pay for the renovations and to help fund the 2010 Bicentennial. Please become part of this historic endeavor. Whether you choose to purchase a brick, bench or statuary as a memorial to a loved one or to honor your family, anniversary or special event ~ your gift will be in place for future generations to see and enjoy.

It's time to consider making a commitment to our church's Bicentennial. Please be a part of this historic effort ~ one brick at a time.
